Toxic Rat's Dungeon Terrain

Available terrain modules are shown below. Dimensions given are inches, based on the floor tiles. Walls are approximately 1/2" wide, floor tiles are based on a 1" square grid. Special order designs and colors are available, upon request. Send an email to orders@pymapper.com, or visit pymapper.com/toxic-rats-dungeon-terrain/ for more info.

Retail Pricing March 2017

There is no price difference between the Cobblestone and Smooth Chiseled finish. When placing an order, in place of the "?" insert a "C" for cobblestone finish, or an "S" for smooth chisel finish.

Custom orders may be placed by contacting orders@pymapper.com. Be sure to include part number, finish, and quantity.
